Des Loups Partout! Wolves Everywhere!

Jana and Milena Synek

Helping to make learning
English and French fun!

Un loup sur mes genoux,
One wolf on my lap,

Des Loups Partout! / Wolves Everywhere! is the fifth 'little wolf' book by Bramhall Publishing. Counting wolves on every page, and absorbing French with ease – thanks to the parallel English and gently-rhyming French text – young readers and grown-ups alike will be charmed by the gentle humour of the storyline and highly original watercolour illustrations.

As one wolf gradually becomes a whole pack of wolves, getting up to a lot of mischief along the way, their story becomes intertwined with that of the Owl and the Pussycat, who make a guest appearance in this title.

An English-French vocabulary aid with simple grammatical explanations is included.

The Little Wolf Series:

- ▶ Traditional storylines
- ▶ Beautifully illustrated
- ▶ Easy to understand
- ▶ Learning without effort
