Madaidhean-allaidh air Feadh an Àite! Wolves Everywhere!

Jana and Milena Synek

Helping to make learning
English and Scots Gaelic fun!

Aon mhadadh-allaidh nam uhd,
One wolf on my lap,

Madaidhean-allaidh air Feadh an Àite! / Wolves Everywhere! is the fifth 'little wolf' book by Bramhall Publishing, and the first to be available in Scots Gaelic. Set against a stunning watercolour backdrop inspired by the Highlands and Islands, this gently humorous story allows young readers to absorb Gaelic with ease, thanks to the parallel English and Scots Gaelic text.

As one wolf gradually becomes a whole pack of wolves, getting up to a lot of mischief along the way, their story becomes intertwined with that of the Owl and the Pussycat, who make a guest appearance in this title.

A pronunciation guide to the Scots Gaelic is included.
