Où es-tu, Petit Loup? Where are you, Little Wolf?

Jana and Milena Synek

Helping to make learning
English and French fun!

“Où es-tu, Petit Loup?”

“Where are you, Little Wolf?”

Où es-tu, Petit Loup? Where are you, Little Wolf? is the first of a series of parallel text picture books in French and English intended to instil a love of French in young children. It does not pretend to teach French, but rather to entice children to reach for French; the stunning illustrations are there to draw little minds in, and to invite the imagination to unravel the mystery of the words and pictures: it is an adventure in literacy. It can, of course, be enjoyed on several levels.

The Little Wolf Series:

- ▶ Traditional storylines
- ▶ Beautifully illustrated
- ▶ Easy to understand
- ▶ Learning without effort
